### **PHIL HAWKINS SELECTED TO YLWD BOARD OF DIRECTORS**

Placentia and Yorba Linda, CA (February 26, 2010) – The Yorba Linda Water District Board of Directors has appointed Phil Hawkins to fill the open seat on the Board, left vacant due to the sudden passing of Director Paul R. Armstrong.

The appointment concludes a public process carried out in an open forum, where the Board of Directors initially interviewed 16 candidates before narrowing the field down to five. After a final round of interviews Friday evening, the Board voted unanimously to appoint Hawkins to the seat.

Mr. Hawkins will fill the vacancy for the remainder of Director Armstrong's term, which ends in early December 2010.
